SKILLS

- **Languages:** JavaScript, Python, C, C++
- **Frameworks & Libraries:** React.js
- **Databases:** PostgreSQL, MySQL
- **Tools & Platforms:** Git, GitHub, VS Code, Docker
- **Soft Skills:** Teamwork, Problem Solving, Leadership, Adaptability, Critical Thinking

PROJECTS

To-Do List Web App | GitHub

Dec 2025

- Developed a simple task management web application to create, edit, delete, and mark daily tasks as completed.
- Deployed a task status management to help users easily distinguish between pending and completed activities.
- Optimized the interactive and user-friendly interface with organized task sections, buttons, and visual indicators for better task tracking.
- **Tech:** HTML, CSS, JavaScript

Mental Health Tracking App | GitHub

Sept 2025

- Designed a simple web application to track daily moods, emotions, sleep, thoughts and overall experience of the day.
- Introduced mood tracking and basic progress visualization to help users understand their emotional patterns over time.
- Implemented a clean and responsive interface for easy daily use and to decrease procrastination through notification.
- **Tech:** HTML, CSS, JavaScript, Node.js

Weather App | GitHub

Mar 2026

- Added dynamic weather icons and error handling for invalid city search and for accurate or approximate location selected by user.
- Created a responsive weather application that displays temperature, humidity, wind speed, and weather of each hour
- Refined the layout to organize weather information into clear and accessible section for better readability and understanding.
- **Tech:** HTML, CSS, JavaScript, Python

TRAINING

Frontend Development in C Programming, Python and Javascript

Jun 2025 – Aug 2025

- Completed intensive training in C programming, Python and JavaScript, covering programming fundamentals and web development concepts.
- Applied HTML, CSS and JavaScript to create responsive and interactive web pages with a focus on clean and efficient interface.
- Practiced Python and C programming through hand-on exercises involving function, arrays and basic problem-solving.

CERTIFICATES

- | | |
|---|----------|
| • Times of India 2026 Certified Environmental Awareness Times of India Link | Aug 2026 |
| • Cyber Security Infosys Springboard Link | May 2026 |
| • C Programming 2026 Certified Foundations Associate Neo Colab Link | Aug 2026 |

ACHIEVEMENTS

- | | |
|---|----------|
| • Solved 50+ Object Oriented Programming on LeetCode. | Aug 2026 |
| • Maintained 40+ day continuous coding streak on LeetCode. | Aug 2026 |

EDUCATION

- | | |
|---|---------------------|
| Lovely Professional University | Phagwara, Punjab |
| Bachelor of Technology - Computer Science and Engineering; CGPA: 8.04 | Aug 2026 - Present |
| The Pentecostal Assembly School | Bokaro, Jharkhand |
| Intermediate; Percentage: 80 | Apr 2023 - May 2024 |
| The Pentecostal Assembly School | Bokaro, Jharkhand |
| Matriculation; Percentage: 94 | Apr 2021 - May 2022 |
